Votre design, vos logos, vos collections personnalisées...

Bioracer a fait de son logo sa devise, l'homme est la mesure de toutes choses. Les produits Bioracer sont constitués de façon à améliorer la performance et le bien-être de l'athlète qu'il soit de haut niveau ou pas.

designed by

Nalini was one of the forerunners of customized clothing: not only garments inspired by great champions of cycling for the small teams but also for collaborations with Granfondo and events dedicated to the two wheels

BY **Nalini**

Persone vere, prodotti veri. Une histoire, une passion qui traverse l'histoire du cyclisme depuis des décennies. Nalini gère tout du développement aux produits finis sur son site près de Vérone. Du pure made in Italy.

Race line 2.0

Perfect for branding  
with club, sponsor  
or company logos

Available colors:

T-shirt - Singlet - Longsleeve

## The RACE LINE 2.0 line

is a must for all who like to run. The lightweight material keeps you pleasantly dry on every course. Due to the stretch and flat seams it offers freedom of movement and perfect comfort when worn. Mesh inserts at the sides provide the ideal body climate. Lateral reflectors ensure better visibility even at dusk.

**Active Basics**

Perfect for branding  
with club, sponsor  
or company logos

Suitable for the running course, the fitness studio or the cool appearance in the spare time. The ACTIVE Basics from JAKO are designed in a modern melange look. Their puristic look without design elements can be combined with tights, sports trousers or jeans in many ways. They complement your sports shelf in the wardrobe perfectly.

**TEAMWEAR**

**Rush**

speed and movement are key to success in most sports. The lightweight, functional and ergonomically shaped garments in the Rush collection help you boost the intensity and optimize your performance.

**Rush Singlet**

is a lightweight singlet made of functional fabric that offers efficient moisture transport and cooling.

## WIND JACKET

Material: 100% Polyester

available colours:

**Rush Tee**

is a lightweight tee made of functional fabric that offers efficient moisture transport and cooling.

**Rush Longsleeve**

is a lightweight longsleeve made of functional fabric that offers efficient moisture transport and cooling.
